Hi, I'm Marriott the Fox.

Play this game with your family and friends in the spring or summer, it's easy to do.

Take this sheet with you on Marriott's Way and see how many of these bugs you can spot and tick off. Then, the first person who ticks all their boxes can shout **Bug Bingo!**

But the fun doesn't stop there.

You can colour in the pictures when you get home and think of the great time you've had on Marriott's Way!
